

3. The Knight in HR Training

Genre: Fantasy Comedy

Age Range: 16-40

Length: 30-60 Seconds

Emotional Themes: Discipline versus chaos, workplace frustration

Scene Description:

A legendary knight is forced to attend workplace sensitivity training before being allowed to continue his heroic quests.

Monologue:

They told me before slaying dragons, I must complete Conflict Resolution Training. So I sat there learning how to say, "I feel unsafe when you breathe fire near me." Unsafe? I wore armor forged in volcanoes. They made me role-play negotiations with goblins. Goblins. I wasn't allowed to draw my sword unless I first said, "I am escalating this situation professionally." Back in my day, we solved problems with steel and determination. Now I solve them with forms. So many forms.
