

6. The Royal Guard Who Can't Stop Daydreaming

Genre: Fantasy Comedy

Age Range: 16-35

Length: 30-60 Seconds

Emotional Themes: Imagination versus duty

Scene Description:

A palace guard spends more time imagining heroic adventures than actually guarding the palace.

Monologue:

I'm supposed to be guarding the throne room. Instead, I've mentally defeated three assassins, negotiated peace between rival kingdoms, and adopted a baby dragon. In reality, absolutely nothing has happened. A court official asked if I was alert. I said yes. Meanwhile, in my imagination, I was already being knighted for saving everyone. It's exhausting being this heroic in my own head.
