DAN: Which part?

AMY: YOUR part.

DAN: I provided... motivation.

AMY: You typed two words.

DAN: Those words were powerful.

AMY: "Let's go"?

DAN: Exactly.

AMY: That's not research.

DAN: It's emotional support.

AMY: This is a psychology paper.

DAN: Then I influenced psychology.

AMY: You influenced nothing.

DAN: I influenced your stress levels.

AMY: That I believe.

(Beat)

DAN: Look, I work better under pressure.

AMY: There is no "you working."

DAN: That's harsh.

AMY: That's accurate.

DAN: I can still add something!

AMY: Like what?

DAN: A conclusion.

AMY: That's already done.

DAN: I can improve it.

AMY: You haven't read it.

DAN: That's why I'm confident.
