Age Range: 18-25

Characters

KAI (20) - A detained test subject trying to escape a covert facility.

RILEY (23) - A security officer beginning to question the system.

RILEY: You're not supposed to be in this section.

KAI: I've been "not supposed to be" everywhere in this place.

RILEY: Stand down.

KAI: Or what? You'll report me?

RILEY: I'll detain you.

KAI: Like I've been detained for the last six months?

(Beat)

RILEY: You shouldn't be out of your cell.

KAI: You shouldn't be helping them either.

RILEY: I'm not helping anyone.

KAI: Then why is my file missing half its pages?

RILEY: You don't know what you're talking about.

KAI: I know people disappear in this facility.

RILEY: That's classified.

KAI: That's not a denial.

(Beat)

RILEY: If you leave this hallway, alarms trigger.

KAI: So trigger them.

RILEY: You'll die before you reach the exit.

KAI: I'd rather die moving than disappear in a locked room.

(Silence)

RILEY: You really believe they're doing experiments?

KAI: I don't believe it. I remember it.

(Riley hesitates)

RILEY: What did they do to you?

KAI: Enough that I stopped being a person on paper.

(Beat)

RILEY: If I open this door... I lose everything.

KAI: If you don't, so do I.

(Long beat)

RILEY: ...Go.

KAI: What?

RILEY: Run.
