

Shadow Protocol

Genre: Action Mystery

Age Range: 18-25

Characters

MASON (24) - Former covert operative.

NINA (23) - Hacker who uncovered his identity.

NINA: Took me three months.

MASON: To do what?

NINA: Find you.

MASON: Congratulations.

NINA: That's all you have to say?

MASON: Depends.

NINA: On what?

MASON: Whether you're here for answers or revenge.

(Beat.)

NINA: Answers.

MASON: Good.

NINA: Why disappear?

MASON: Because people around me kept getting hurt.

NINA: That's not an answer.

MASON: It's the truth.

NINA: I found files, Mason.

MASON: Then you know enough.

NINA: I know somebody erased your existence.

MASON: They tried.

NINA: And?

MASON: They missed a few things.

(Beat.)

NINA: Someone's still hunting you.

MASON: Yes.

NINA: Then we're both in trouble.

MASON: Why?

NINA: Because I found you.

(Mason laughs.)

MASON: That's the smartest thing you've said all night.

NINA: So what now?

MASON: Now?

(He stands.)

MASON: Now I stop running.
