Characters

JACE (19) - A messenger for the resistance.

ARIA (20) - The resistance leader.

ARIA: You're late.

JACE: I got chased across half the city.

ARIA: Excuses.

JACE: You try outrunning soldiers.

ARIA: I have.

JACE: Right. Forgot who I was talking to.

(Aria takes the message.)

ARIA: Good work.

JACE: That's it?

ARIA: What were you expecting?

JACE: I don't know. A speech. A medal.

ARIA: We don't have medals.

JACE: Figures.

(Beat.)

ARIA: Jace, we need someone for tomorrow's mission.

JACE: Okay.

ARIA: I'm choosing you.

JACE: Not okay.

ARIA: Why?

JACE: Because messengers run away from danger.

ARIA: No. Messengers run through danger.

JACE: That's different.

ARIA: Not really.

JACE: There are better people.

ARIA: Maybe.

JACE: Then choose them.

ARIA: I chose you.

(Beat.)

JACE: Why?

ARIA: Because every time things get difficult, you keep going.

JACE: That's not leadership.

ARIA: It's where leadership starts.

(Silence.)

JACE: You're really not giving me a choice, are you?

ARIA: Not a chance.

(Jace sighs.)

JACE: Fine.

ARIA: Good.

JACE: This is definitely a mistake.

ARIA: Most great decisions feel like one.
