

The Kingdom That Forgot Magic

Genre: Fantasy Mystery

Age Range: 16-25

Characters

ELIAN (23) - A traveler who remembers magic.

MIRA (21) - A royal guard who has been taught magic never existed.

Scene Description

Elian tries to convince Mira that magic once existed in the kingdom. She believes he is delusional until reality begins to glitch around them.

MIRA: State your purpose.

ELIAN: I'm trying to wake you up.

MIRA: That's not a purpose.

ELIAN: It is where I come from.

MIRA: You're not from here.

ELIAN: Neither is what you've been told.

MIRA: Careful.

ELIAN: You think this world is stable?

MIRA: It is governed.

ELIAN: It's controlled.

MIRA: Same thing.

ELIAN: No.

(Beat)

ELIAN: You ever feel like something is missing?

MIRA: No.

ELIAN: That hesitation says otherwise.

MIRA: I don't hesitate.

ELIAN: You just did.

MIRA: That's not proof.

ELIAN: Watch.

(He places a hand near the wall — faint magical distortion appears.)

MIRA: What did you do?

ELIAN: Nothing yet.
