Nyx has been ordered to erase Eli's memories permanently. But Eli's memories begin affecting Nyx herself, causing doubt.

NYX: You shouldn't remember any of this.

ELI: But I do.

NYX: That's impossible.

ELI: Not for me.

NYX: I was sent to erase you.

ELI: Then do it.

NYX: It should be simple.

ELI: Nothing about memory is simple.

(Beat)

NYX: Why are you calm?

ELI: Because I've already lost everything once.

NYX: You're supposed to be afraid.

ELI: I was. Then I remembered.

NYX: That's not how this works.

ELI: Then explain why you're hesitating.

(Beat)

NYX: I don't know what I'm feeling.

ELI: That's the problem with erasing people.

NYX: Stop talking.

ELI: You can erase me. But not what I made you feel.
