Monologue

Fifteen minutes..That's it.Not an hour.Not a day.Fifteen minutes.I've spent years thinking about those fifteen minutes.If I had left earlier.If I hadn't stopped for coffee.If I hadn't taken that call,Maybe things would be different,Maybe you'd still be here.People tell me it wasn't my fault.Maybe they're right.Maybe they're wrong.The truth is...When something breaks your heart, logic doesn't matter.You don't want explanations,you want a time machine.You want one more chance.One more conversation.One more goodbye.But life doesn't work like that..

So I guess the only thing left to do...Is forgive the version of me that didn't know what was coming.
